# STUDENTS

# CLASS OF 1962

The year was extraordinary
because it was ours.
It was good because we lived it.

Our only senior year knew many things:
funny things—
extraordinary and very, very funny
because we were a part of them
and we can call them ours;
tough things—
tough because we were determined
to get through them
and sometimes tough because we didn't care;
personal and lonely things—
things we didn't let many people know about,
things not planned on the curriculum
nor scheduled in our activities.

We were athletes and cheerleaders,
people who cheer, quiet people,
dancers and readers, politicians, anarchists,
nuts and wet blankets,
artists, intellectuals, and occasionally
good students.
We were kids and at times were
very, very grown-up.
We were us.

Dick, Beth, Dan, and Harry pose for a family portrait.

Sometimes we loaned lunch tickets.
More often, we borrowed them.
Occasionally we paid them back.
Sometimes we didn't know what was going on.
Usually, it didn't matter.
Sometimes we wished we were dead,
and once in a while we had a vision
of being alive.

These things were the substance
of our year—
a year extraordinary because it was ours.

Under the dynamic leadership of Mrs. Carolyn Grant and President Sally Kepler, the Girls' Athletic Association has pushed into its third year. The girls get together on Thursday mornings to compete in tennis, field hockey, basketball, volleyball, shuffleboard, and other sports.

The purpose of G.A.A. is to provide recreation for our girls, and to teach them cooperation and good sportsmanship.

Each year this organization has a mother-daughter banquet, after which the daughters (and the mothers!) engage in various sports. At the end of each year medals and a trophy are awarded to outstanding girls for their performances in G.A.A.

Sally, Diane, Bev and Holly flash their healthy smiles.

# INSTRUMENTAL MUSIC

Sporting their new black and white uniforms, the band, assisted by the majorettes, entertained football crowds of the '61 season. Their showmanship came only after plenty of hard work, quantities of school spirit, and, one may suppose, a bit of perspiration. The August sun broiled the bermuda-clad music-makers during the pre-school practices. But there were rewards! The Mt. Lebanon Band Festival, which previously had admitted only "AA" Bands, asked our band to take part. They participated in another band festival at Norwin High School in Erwin. And for the second year, many of our musicians represented the school in the South Hills Area Band Concert, at Baldwin High School. While at home throughout the year, the band was enjoyed at special assemblies, at the annual concert, and at the 1962 Commencement.

The football team started off the year with a bang! Compiling the best won-lost record Upper St. Clair has had and winning the Ohio Valley Conference Championship, it showed what hard work and desire could do. Much of the success must be attributed to the devoted coaching staff, which put in many long, hard hours.

The team was a powerful offensive machine which gained 2275 yards and 135 points. The defensive eleven, fighting eight tough ones, held the opposition to 54 points. Bob Bruschi led three outstanding backs with 694 yards, compiled in runs of 90, 80, 73 and 52 yards, and an 80 yard pass run, and 55 points. Fullback Frank Vanzin, pounded through the line for 627 yards and 47 points. Indestructable halfback Terry Shields, carrying 130 times and gaining 4.5 yards per carry, was the workhorse in the backfield. Because of Bill Stewart's knee injury during the second game, Dick Boal and "Fuzz" Stewart filled in as quarterbacks for the remainder of the season.

Speaking of the line, Coach Merritt stated: "An inexperienced line, through determination, developed into a very respectable seven man front." A very aggressive group which blocked hard all year, it proved itself by the last game to be one worthy of praise.

# BASKETBALL

Coached for the first time by Mr. Norton, the Panthers turned in a solid 1961-2 basketball season. The team consisted of seven seniors and five juniors, a combination that seemed to click as the Panthers pranced through a seven game winning streak to stand 4-0 in section play. The Panthers' march was interrupted only by a loss to Etna at the Holliday Tournament. Although the Panthers were never able to regain their former momentum, the team gained revenge by drubbing Etna twice in the remaining play. In the following games, St. Clair lost important contests to Avonworth and Bellevue. Three other defeats left us with a third place in the Ohio Valley Conference and spelled an end to our title hopes.

Frank Vanzin turned in 243 points to become the Upper St. Clair high score man, while Bill Zondorak's 230 points put him in second place. Despite disappointments, the team was always in there fighting, whether running, rebounding or shooting.

# BASEBALL

The 1961 Upper St. Clair diamond squad took second place in the section with a record of seven wins and five losses. During the first three games of the season (while the team was still intact) the squad knocked off Bellevue, Neville, and Quaker Valley, and looked quite sharp. But by the fourth game fireballer Terry Shields was out and shortstop Paul Welder was injured. For the rest of the season Coach Argiro shifted the lineup around, trying to make a section winning team, but was unable to find a pitcher to take Terry's place. By the end of the season, however, some inexperienced players began to play ball.

The batting honors were taken by Frank Vanzin, who knocked the ball at a .407 clip. He was closely hounded by Paul Welder, who hit .400, and catcher Bill Zondorak, who hit .378. Bill Stewart, with .323, and Dave Welder, with .300, also did well. Dick Nolan, the team's MVP, did most of the pitching chores and compiled a 4-2 won-lost record. Zondorak also had a hot bat, getting 14 hits and 11 RBI's.

# GOLF

Let's have a good drive, Jack!!

Coach Brown

The record of the Upper St. Clair Golf Team did not show the great improvement made in one short year; the team average dropped twenty strokes per match. We are the only Class "B" school competing against six Class "A" schools. Dick VanLeuvan, our first man, was out most of the season with a knee injury—another disadvantage. One bright spot was Jack Phillips' coming in fifteenth in the WPIAL individual competition.

Coach Brown said that he is looking hopefully for a better won-lost record in 1962 (even though we lost Walter Ross). The coach is also anticipating the WPIAL eliminations and a possible trip to Penn State.

Still in its developing stages, the track team is making strides in the right direction. What started two years ago as a group of boys running around on the cinders after school is now turning into a solid team. Mr. Merritt was the coach of the first varsity team in 1960 with Mr. Wasson as the field coach. Since then, the cindermen have chopped off a few seconds, jumped a few inches farther, and added a little poise.

The 1961 team record was 2 wins and 4 defeats and a fourth place finish in a pentagonal meet. Ray Conaway, valuable 880 yard record holder, was team captain. Bob Bruschi broke the broad jump and 100 yard dash record; Page Woodbury, the mile; Bill Obenchain, the 220; and Phil Stewart, Tom Long, Bill Obenchain, and Frank Gleve, the 880 relay.
